3. This deposit is non-refundable, unless there is a problem with the health of your puppy. In that case, the buyer will have their choice of a full refund or of transferring that deposit towards another puppy.

Health Guarantee

1. It will be up to the breeder to decide when the puppy goes home. Usually at the age of 8 weeks. There is an additional \$25 a day charge to keep puppies longer than 8 weeks of age. And payment is required in full at 8 weeks of age.
2. The puppy is guaranteed to be in good health at the time of sale.
3. The puppy will be up to date on shots and wormings at the time of pick up of the puppy. They will also be started on Nuvet vitamins to help build up their tiny immune systems before going home and to help them stay healthy. It is very important that you continue the vaccinations and wormings as well as the Nuvet vitamins. Please do not expose your puppy to other dogs that are not vaccinated until he/she has completed the entire vaccination schedule, around 16-20 weeks old. If you chose to give the Lepto vaccine or do not follow my contact as it shows it is null and void!!
4. The puppy will have been vet checked, dew claws removed, microchipped and deemed in good health at the time of sale.

5. The buyer at their own expense should have the puppy examined by a Licensed Vet within **72 hours** of receiving the puppy. Guarantee will be voided if shots are given at this appointment or before 2 weeks. We give them 1 right before they leave and wont need another for 3-4 weeks after the first one. Don't want to overdose the puppy.

11. The breeder will never issue any kind of refund after the **72 hour window**.
12. The breeder assumes no responsibility for training or behavior problems.
13. The breeder does not guarantee size. I will give the buyer the weight of the puppies parents and the weight of other puppies out of that mating,if there was a prior litter. I can give the buyers an educated guess as to full grown weight, but there are too many variables besides genetics.
